- Swiss built with world class components

LCN-131

PRECISION ENGINEERED 1 COLOR PAD PRINTER

The LCN-131 is a compact & robust pad printing machine that has been fine-tuned for optimum performance. It is very reliable and simple to operate, and it works well as a stand-alone printer or is easily integrated into an automated printing system. All microPrint machines use only top quality world class components and are built with unparalleled workmanship in Switzerland. DECO TECH is the exclusive North American distributor for microPrint and all microPrint machines are backed with a limited **3 YEAR FACTORY WARRANTY**.
